

OUTDOOR ENTERTAINMENT

Transform your back yard into a venue for entertainment, escape, and everything in between when you add a Séura Outdoor TV.

INDOOR TVs DON'T BELONG OUTSIDE

Séura Outdoor TVs are made to withstand all of Earth's elements while providing exceptional and reliable performance.

WEATHERPROOF

From extreme temperatures to rain, snow, and dust, Séura Outdoor TVs are engineered to endure anything Mother Nature throws their way – something an indoor TV just can't do.

Indoor TV viewing

SUPERIOR PICTURE

With screens that are three times brighter than indoor TVs, Séura Outdoor TVs cast a picture you can actually see in bright sunlight.

Séura Outdoor TV viewing

SAFEST OPTION

Indoor warranties are voided by putting a TV outside. In full sun, if you put an indoor TV outside, it will be out of its operating temperature range in as little as 15 minutes.

THE BEST OUTDOOR TVs. PERIOD.

Séura Outdoor TVs outperform the competition with the best weatherproofing, best picture quality, best-sounding and best-looking Outdoor TVs in the industry.

Best Outdoor-Rated

Built with thermal controls to survive multi-climate temperatures and IP tested to withstand dust and water ingress, Séura's weatherproof TVs are backed by a 2-year warranty and offer worry-free performance for reliable and safe entertainment in every environment.

The Best Picture Quality

Carefully calibrated for use in shade or full sun, Séura Outdoor TVs are the best and brightest in their class. Every Séura Outdoor TV boasts exquisitely vivid 4K UHD and HDR technology.

The Best Sound Solutions

Séura's front-facing weatherproof outdoor soundbars project sound toward you to deliver rich, powerful audio in every backyard setting. For a world-class experience, upgrade to our premium 60W RMS 2-Channel Bluetooth® Enabled Soundbar.

Largest and Sleekest Designs

With screens as large as 86 inches and soundbars that perfectly match the width of every model, Séura's full line of sleek Outdoor TVs were designed to fit seamlessly in your outdoor space.

Séura® Shade Series™
for Shaded Areas

65" Shade Series™ Outdoor TV
SHD2-65, Soundbar Included

SHADE SERIES 2™

THE PERFECT TV FOR SHADED AREAS.

Séura® Shade Series 2™ Outdoor TV is simply the best option for shaded areas. With its sleek design, best-in-class picture quality, best-in-class 50W Soundbar, and the best-in-class 2-year warranty, there is no better choice for shaded outdoor spaces.

Weatherproof

IP56 rated to withstand powerful water jets and protect against dust and solid particle ingress, Séura outdoor TVs are safe for year-round use.

Multi-Climate

Shade Series TVs are made to withstand temperatures from -24°F to 140°F.

Brightest In Class

At 700-nit brightness, Shade Series TVs are three times brighter than indoor TVs and 75% brighter than the competition.

Lifelike Shades and Hues

Equipped with High Dynamic Range, Séura outdoor TVs provide sharp contrast between bright and dark colors for the best outdoor picture.

Stunning Definition

4K UHD picture clarity — four times the resolution of regular HD — has amazingly sharp details that immerse you in the moment.

Unparalleled Sound

Projected towards the viewer for the richest sound, the included front-facing 50W RMS 2-channel soundbar is designed to perform in loud outdoor environments.

Micro-Edge Design

Enjoy a sleek, modern design with an ultra-thin bezel for nearly borderless viewing.

2-Year Warranty

2-year warranty provides peace-of-mind for reliable and safe entertainment in any environment.

ULTRA BRIGHT™

THE BEST PERFORMING OUTDOOR TV FOR BRIGHT AREAS.

For sunny locations, Séura Ultra Bright™ Outdoor Displays provide industry-leading image quality and 1000-nit brightness for a remarkable picture in any lighting condition, including full-sun viewing.

Extreme Temperature Protection™

Our proprietary active heating and cooling system provides the necessary temperature control you need to protect your TV's delicate electronic components in temperatures from -40°F to 140°F.

Adaptive Picture Technology™

Séura's own proprietary Adaptive Picture Technology continuously adjusts multiple settings as lighting conditions change so you always see the optimal picture, whether the sun is out or behind the clouds.

Lifelike Shades and Hues

Equipped with High Dynamic Range, Séura outdoor TVs provide sharp contrast between bright and dark colors for the best outdoor picture.

UV Protected

UV and isotropic blackout protection mean your picture will never go dark from exposure to sunlight.

Weatherproof

IP54 rated and fully sealed to keep out rain, snow, ice and dust, Séura outdoor TVs are safe for year-round use.

Brightest In Class

With 1,000-nit brightness that is 30% brighter than competitive full sun TVs, you'll catch your favorites, even when viewing in direct sunlight.

Stunning Definition

4K UHD picture clarity — four times the resolution of regular HD — has amazingly sharp details that immerse you in the moment.

2-Year Warranty

2-year warranty provides peace-of-mind for reliable and safe entertainment in any environment.
